Write a paragraph w/ at least 5 sentences about a T.V show or movie you recently saw.

Doctor Who: The Seeds of Death

This episode of Doctor Who was about the Warriors (martians) invade 21st century earth. The earth has discovered T-mat, a sort of teleporter. The Ice Warriors invaded the T-mat base on the moon, and transported pods (or seeds) to earth. The Doctor and his 2 companions, Sonic and Joe, land on Earth in their Tardis. They then go to the moon (on a rocket) and try to foil thier plans. We ~~loses~~ T-mat Sonic, and Joe get T-mat temporarily out of Ice warrior control, and T-mat back to earth. They discover the seeds "eat" oxygen and are destroying the atmosphere, and water destroys the o
